Building the Future: The British Library at St Pancras

Help us make the most of our magnificent building at St Pancras. Drop in to see us on Saturday 7 May and tell us what we can do to help it meet your needs.

12.00 – 16.00

Harry M Weinrebe Learning Centre
Lower Ground Floor
British Library
96 Euston Road
London NW1 2DB

The British Library is one of the great public buildings of the 20th century and is now Grade I listed. To help it evolve successfully over the decades ahead, we need your help.

We are looking to extend and reshape our public spaces to anticipate and meet the needs of both our users and the local community.

Whether you are a regular, a neighbour or someone who passes by and wonders what goes on inside, drop in and tell us what we can do for you.
